HOW WE TAKE CARE OF YOUR HOUSE

CLEANING

Each house is always cleaned by the same team. This way we have more control, the team already knows the house well and is able to more easily identify damages or missing items after each checkout.

INSPECTION

The quality department team goes to the house to check the cleaning and the maintenance to ensure our quality standard! frequent visits are made to keep the house always spotless, such as touch wall painting, baseboards and pressure washer cleaning

MAINTENANCE

Our maintenance team has extensive experience in vacation homes, we know how to quickly identify problems and solve them as quickly as possible, prevention is also one of our characteristics. We managed to solve most of the problems, for technical problems, we immediately call to specialized professionals.

DAMAGES

Damages caused by guests are charged directly through the platforms. Damages caused by intense wear and tear are analyzed by intense wear and tear are analyzed by our inspection team and if necessary we inform the owners about maintenance or replacements.

OUR ADMINISTRATIVE FEES

- ▶ **U\$ 150,00 ADMINISTRATION**
